Our Lady of the Assumption to launch Pastoral Phase

This weekend will see Fr. Kevin O'Brien launch the next phase of the campaign in Thatcham, as he invites the wider parish community to play their part in this vital initiative.

Father Kevin began meeting with parishioners less than one month ago and has been heartened by the generous support received, with almost £22,000 pledged to-date from 11 families.

With a target of £30,000 in mind, it is hoped that the parish's share may be used to install extra lighting and help with upkeep of the property into the future.

Fleet and Church Crookham at halfway mark

The campaign is quickly picking up pace over at Holy Trinity, Church Crookham and Our Lady, Fleet as they reached the 50% mark this week.

Through various individual and group meetings, Fr. Johnpromise Umeozuru has enjoyed sharing the campaign with over 45 families as he has been inviting them to join the efforts.

Sixteen families have contributed £49,075 already, with Father Johnpromise hoping that those who have yet to make a decision return their forms to him at Mass this weekend or via post to the Campaign Office.

A warm welcome to Our Lady Immaculate

We are delighted that Fr. Leslie Adams and the parishioners of Our Lady Immaculate in Westbourne are the latest parish to join Group 7.

Situated on the south coast, in the Bournemouth area, Our Lady Immaculate is a bustling church of more than 200 lay faithful.

They are aiming to raise £65,000 in pledges over the coming weeks. Father Leslie is hopeful that this target can be met as the community stands to receive over £21,000 as their parish share. This money will be used for the refurbishment and maintenance of the church building.
