******NEW CONTACTLESS MACHINE AND GIFT AID** We have had to replace our Dona contactless machine. The new system is via Stripe payments. If you had set up gift aid on the old machine, you will be asked to re-enter your details. Once this is done, it will not need repeating. You will be prompted for your name, number of house, and postcode which should be done in upper case. Once this has been done, the machine will recognise your card the next time to make a payment and automatically gift aid the transaction. Gift Aid can increase the value of your donations by 25%. Payments may appear on bank statements as 'Stripe'. To see a video of how to set up Gift aid please see the following [link](#).
